Special swimmers are all disabled athletes regardless of the disability category.

Special swimmer category is in events 17/19, 23/25, 29/31, 35/37, 39/40 and 43/45. Special swimmers can also participate in other events either in open or age group categories.

Backstroke starting ledges are available for the swimmers.

Age groups are determined by the year of birth of the swimmer. E.g. swimmers born in 2010 are G9 and B9. Swimmer can participate in any event where there is an age category matching his/her age or older.

Events designated for Masters are open only for swimmers born not later than in 1994. Such swimmers can also participate in any open events. However, Masters records cannot be accepted in open events.

Restricted count of heats: The Organizer reserves the right to restrict the amount of participants in the events 5, 6, 7 and 8.
